PURPOSE OF THE WORK SESSION: This work session is intended to give the Council the opportunity to discuss and provide input to staff on city transportation projects and programs to be submitted as part of the recent call for projects for the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS). The Alameda County Transportation Commission (ACTC) will also use the submitted projects and programs in its development of the Countywide Transportation Plan (CWTP) and its Transportation Expenditure Plan (TEP). The TEP is the list of projects and programs that would be included for funding if an extension of the Alameda County transportation sales tax measure is ultimately placed on the ballot in November 2012.

POLICY ISSUES/ANALYSIS: MTC has recently released a call for projects for consideration in the RTP/SCS. They have requested ACTC to assist them with the call for projects in Alameda County. ACTC has stated that it intends to use MTC's call for projects process to support the update of the CWTP and development of a new TEP. ACTC is requesting jurisdictions to submit projects and programs to ACTC no later than April 12, 2011 to meet MTC's deadlines. The list of projects and programs submitted by ACTC to MTC must meet the 25-year \$11.75 Billion Alameda County-share allocation and will be evaluated based upon the following goals and targets adopted by ABAG/MTC for the RTP/SCS process:
